

February
**PRAYER
DIARY**

Partnerships with other Christian organisations in Moldova are helping to accelerate the impact of young leaders on people and communities.

Thank God for a successful relationship with leaders of a project which houses vulnerable teenage girls. In December, you prayed for the leadership team as they received help to plan for the future. Please pray...

- For female leaders who have now asked for training to help them mentor the girls in the project. Pray that this mentoring would be warmly received by the girls.
- For a church leadership team from Chişinău who want to explore how to serve their community in a relevant way.
- For leaders from churches in Orhei and Bulăieşti who are continuing the Tempo course together this month. In a context where churches often struggle to cooperate, pray for unity as they learn together.

Across Ireland, England and Wales, more Christian leaders are asking for help in connecting with and serving their local communities.

Thank God for the opportunity to give training and coaching to a new team within an all-Ireland Church Body, who have a vision to involve children with mission. Please pray...

- For these leaders as they work to engage children throughout the island of Ireland in mission.
- For church leaders in Wales who are helping coordinate a church-planting initiative to know God's wisdom.
- For Claire*, an elder in a church in the Northwest of Ireland, who wants to lead her church in reaching their local community. Pray that she, and others like her, will be encouraged and equipped through a 'mission in context' workshop this week.

CENTRAL ASIA

WEEK THREE

In addition to persecution for their faith, Christian women in Central Asia face additional challenges from their families and society.

Thank God for raising up courageous women who have a vision to help other women, through ministries in their countries.

Please pray...

- For Zara*, who works hard caring for women who endure domestic violence. She and her team are receiving support and advice.
- For the leaders of a church who are hosting theological training for other pastors, who have never had access to this kind of learning. The church was recently questioned by authorities and fined for hosting a visiting speaker.
- For Christian teachers who will be gathering for a workshop this month, to help them live out their faith through their vocation.

24th – 29th

UKRAINE

WEEK FOUR

This week marks 2 years since Russia's full-scale invasion. Leaders need a fresh wind of hope and courage to sustain them in their ministry and protect them from burnout.

Thank God for 14 young Christian leaders taking part in the Tempo course at the Baptist Seminary in Lviv. Please pray...

- For encouragement for students at the Baptist Seminary in Lviv as they receive individual coaching, as well as Tempo training together.
- That the leadership team of a Baptist church in Nizhyn, receiving teamwork training, would be inspired by a fresh vision of what they can accomplish by working together for God's kingdom.
- For established Christian leaders to visibly model successful Christian leadership to younger leaders serving in challenging contexts.

Prayer for Ukraine – Two Years On

Please join us online on **Thursday 22nd February** for a day of prayer events to remember Ukraine, two years on from Russia's full-scale invasion.

We will hear directly from Christian leaders who have stayed in Ukraine to serve their communities, and be joined by members of the Innovista Ukraine staff team.

You can join us at **7.30 am, 12.30 pm or 7.30 pm (GMT).**

The Zoom call will last an hour, but don't worry if you can't stay the whole time. We will hear from leaders, then pray together in smaller breakout rooms.

If it's your first time coming to a prayer call, or first time for a while, **[please email Lydia](#)** to register your interest and receive the Zoom details. You are warmly encouraged to invite friends and church family to this prayer event. Please ask them to register too.

Follow us on Facebook for the latest news and updates from Innovista teams.
