**PRAYER
DIARY**

When we invest in leaders for the long-term, it can take time and patience before we see the ripple effects of change. But the changes we see are more sustainable and long-lasting.

7th – 9th

MOLDOVA

WEEK ONE

Last year, a pastor and his church team from a village in Moldova completed Tempo. As a result, they encouraged more young people to get involved in leading kids' and youth ministry.

Thank God for a successful summer camp, run by these young people, for children from vulnerable families.

Please pray...

- That this church would be an example to others in Moldova in how to involve the whole church family in leadership.
- That the young leaders involved would continue to feel valued and invested in by their church.
- For the children and families who heard the good news of Jesus at the camp.

10th – 16th

CENTRAL ASIA

WEEK TWO

We've asked you to pray before for Joy* and the team she leads to help women facing domestic violence. Joy was mentored by Madina, our Regional Director, many years ago, and we are now seeing the ripple effects of change.

Thank God that Joy is now offering the same Innovista training she once received to the women in her team.

Please pray...

- That the women will develop in courage and skill through Joy's training.
- That they will continue to grow closer as a team, so they can grow their ministry.
- For safety and hope for the vulnerable women they will reach.

17th – 23rd

IRELAND

WEEK THREE

Previously, we've prayed for Kathy in Dublin. Innovista coaching helped her to open a community space called The Well.

Thank God for giving Kathy the vision to see that she could work in partnership with others already serving the community.

Please pray...

- For vulnerable women who are now attending art and baking classes in The Well.
- For the weekly English language classes, offering a warm welcome to people who may otherwise feel excluded from community.
- That, through these partnerships, new leaders will be encouraged and will grow.

24th – 31st

UKRAINE

WEEK FOUR

Innovista is partnering with seminaries and bible colleges in Ukraine. By investing in the Christian leaders of the future, we can help build resilient churches and transformational local ministries.

Thank God for an opportunity to support and work alongside a seminary in Kyiv as they offer a course for women leaders.

Please pray...

- For the young women training at this seminary, as they train for ministry in Ukraine's uncertain future.
- That God will give them vision for how they can work in their churches, ministries and communities.
- For safety for all staff and students at this Kyiv seminary.
