

January **PRAYER DIARY**

At the start of this new year, we pray with expectation for all that God will do to grow seeds that were planted last year through training and support. Join us in praying that these Christian leaders and their teams will see real and lasting change in their communities in 2025.

In the city of Telenеști, Aneta is opening up brighter futures for children and young people.

Thank God that Aneta has been able to help dozens of young people secure training and jobs through her 'skills lab'.

PLEASE PRAY

- For Aneta and her team of volunteers as they provide warm meals and learning support to children who don't always receive these things at home.
- That the skills training and mentoring the young people receive at Aneta's centre will encourage and equip them for the future.
- That these young people will gain the skills and the vision to help them remain in Moldova, to transform their communities.

Innovista supports Elina and her team in Central Asia. They do vital work supporting victims and survivors of domestic abuse.

Thank God that a government body has asked Elina's team for help in developing policies that tackle domestic and sexual abuse.

PLEASE PRAY

- That Elina and her team will quickly earn the trust and respect of the government officials.
- That their work will have a real impact on the lives of women in this Central Asian country.
- For courage for all Christians in Central Asia, as they live distinctive lives which show that women are valued equally in the Kingdom of God.

Young leaders from churches and a youth work organisation are taking part in an updated *Tempo leadership course* in the North West. Jenny, a youth worker in a church, is one of the leaders taking part.

Leaders like Jenny often carry ministry responsibilities alone within their church or organisation. Thank God that for this opportunity to bring leaders together.

PLEASE PRAY

- That they would feel less alone as they hear of each other's struggles.
- That they would be able to offer advice and support to each other as they learn together about how to build up a team.
- That the young people they serve in their ministries will see the benefits of this training.

One of Ukraine's leading bible colleges has asked for help in providing coaching to their students.

Thank God for these students, who are training to be Christian leaders at a time of great uncertainty for Ukraine.

PLEASE PRAY

- That in receiving coaching, the students will clearly see what God is calling them to, and that coaching will help them put this vision into action.
- That they would be able to apply these coaching skills as they learn to lead well in churches and ministries.
- For these students to receive fresh insight into how they can be the kinds of Christian leaders that Ukraine needs.
