

Dear Lord,

Thank you that by Your grace we are still alive, even though some people want to kill us... but by Your grace we have been preserved until now. Thank you that at the moment we have heat and electricity, and despite all the challenges and difficulties You give us the strength to live on. Thank you that amidst the lawlessness of this world You promise that all evil will be punished and people who do evil will be held accountable. I ask You, Lord, to return everything that Muscovites do to us on their heads, let them reap what they have sown. Lord, break the backbone of this evil empire and stand up for us... because apart from You, Lord, there is no one to protect us. Protect and have mercy.

Amen.

**PRAYER
GUIDE**

Front Cover: This prayer was written by Anatoliy Sapsay, Innovista's national director in Ukraine. On the fourth anniversary of Russia's horrific full-scale invasion, we pray for Ukrainian leaders as they serve and love their communities. These leaders and their teams have all been helped through the generosity of people like you. **Thank you.**

Since the 'big war' began, Pastor **Slavic** led YOU TOO, a regional youth and community ministry in NE Ukraine. Late last year, Slavic was drafted. Today he serves his brothers and sisters in arms. Pray for Slavic, his family and this new phase of his ministry (picture).

Lena (left) now leads the YOU TOO ministry. Lena and the team (30+) deliver a wide range of innovative services for children and young people, in multiple locations. This includes a mentoring programme for boys, called the 'the wise carpenters club'. Thank God for Lena and pray for wisdom, strength and the people and financial resources they need.

Olex (Innovista's accountant in Kyiv)
"The hardest part is waking up with no hot water. It takes three hours to heat the water, wash dishes, cook. I wash my clothes by hand. Recently we had electricity for the whole day - at first I didn't even know which household chore to start with, and then I danced around the apartment from happiness." Pray that people like Alex will be able to live through this winter.

Church and ministry leaders work with acute shortage and constant change as people leave. Pray for leaders like **Roman and Vasil** as they work with this discouraging reality:

"Key people keep leaving, including abroad. It's a very heavy load...teams are always shaking, never stable".
